

## **Rapidsoft Systems, Inc. Partners with Innovative Gaming, Inc. to Develop the New Casino Table Game Quick Seven® for Android and Other Smartphone Operating Systems**

*Rapidsoft Systems, Inc. is currently developing Quick Seven® for the Android Operating System for use in mobile phones, with future plans to develop and release Quick Seven® for the Blackberry, Symbian and Windows Phone 7 Operating Systems, as well as Brew and J2ME development platforms (no specific order of release). Upon completion, Innovative Gaming, Inc. will be able to offer the new casino game Quick Seven® to an ever-booming worldwide audience of active Smartphone users.*

Chicago, IL (Vocus/PRWEB) December 01, 2010 -- Rapidsoft Systems, Inc., with offices in New Jersey and California, partners with Innovative Gaming, Inc. of Wisconsin to develop and release the Android application of the [new casino game](#) Quick Seven®. Rapidsoft Systems will then develop and release Quick Seven® for the Blackberry, Symbian and Windows Phone 7 Operating Systems, as well as Brew and J2ME development platforms (no specific order of release).

With this new partnership, Rapidsoft Systems will offer a [new casino game](#) unlike anything currently available in the Android Market or the above listed operating systems/platforms. The new partnership will also allow Innovative Gaming a chance to expand the use of Quick Seven® in the mobile market alongside some of the world's most popular [casino games](#).

### About Quick Seven®

Quick Seven®, unlike most casino games, allows players a chance to get involved in the game by making discard decisions, pressing existing wagers, hedging losing wagers, and the ever popular hitting of the hands. For further information, please visit [www.quickseven.com](http://www.quickseven.com) or play the [free online game](#) to experience the excitement of Quick Seven® first-hand.

Quick Seven® is currently available as an app in the Apple App Store for the iPhone, iPod touch, and soon, the iPad. Quick Seven® is also the latest addition to the Phantom EFX series of Reel Deal Casino games, featured in Valley of the Kings. Within the first quarter of 2011, Quick Seven® will be added to the OpenBet software platform from OpenBet (formerly Orbis Technology Ltd.), as well as another software platform soon to be announced, making Quick Seven® available to some of the world's largest online casinos and sportsbooks.

players when developing new products. For further information, please visit: [www.innovative-gaming.com](http://www.innovative-gaming.com).

Gurbinder Mavi, VP of Sales and Marketing of Rapidsoft Systems, Inc. comments:

"We have been developing all kinds of games and applications for various mobile platforms for the last several years. When we saw Quick Seven®, we knew that it had a very unique entertainment value and there was nothing comparable available in the market today. Our partnership with Innovative Gaming for the development and distribution of Quick Seven® is based on our firm belief in the high quality, challenge and entertainment value of this new game. We believe that smart phone users will enjoy this game as much or even more than people playing this game in real casinos."

Larry R. Cockrell, Jr., President of Innovative Gaming, Inc. comments:

"Our new partnership with Rapidsoft Systems is a perfect fit for us and all of our mobile phone entertainment requirements. We strongly believe Smartphones are the ideal tool to expose individuals to Quick Seven® on the go. With the help of Rapidsoft Systems and their outstanding mobile phone software development team, we know that Quick Seven® will be poised to entertain Smartphone users worldwide."
